Description

University Gardens is a combination of eight amazing "town house" conversions, there are also five new build houses on the site which have all been sold. Originally the site was Ripon Girls High School which opened in 1909 and is a heritage site of local importance and part of Ripon's conservation area.

With electric heating the living accommodation comprises; entrance hall, open plan living kitchen with a lounge and dining area. The kitchen includes quartz worktops, Bosch appliances including fridge, freezer, dishwasher, washing machine, induction hob, double oven, microwave and there is a breakfast bar.

On the first floor the landing leads two double bedrooms one of which has a large cupboard which could make an amazing walk in wardrobe. The two bedrooms are serviced by the modern house bathroom which includes a separate shower over the bath, w/c and hand basin and a heated towel rail. On the second floor is a spacious master bedroom with ensuite bathroom with walk in shower, w/c and hand basin. There is also a useful storage cupboard which houses the hot water tank.

Outside there are two allocated parking spaces with an electric car charging point. There are communal gardens to the front which are maintained by the management company.

AGENTS NOTES: The furnished photos are of the show house.
